BOOK SYNOPSIS

Stay informed on every aspect of breastfeeding, from basic data on the anatomical, physiological, biochemical, nutritional, immunological, and psychological aspects of human lactation, to the problems of clinical management of breastfeeding. Learn from the award-winning author and co-founder of the Academy of Breastfeeding Medicine, Dr. Ruth Lawrence, and her son, Dr. Rob Lawrence. Make appropriate drug recommendations, including approved medications, over-the-counter medications, and herbal remedies. Provide thoughtful guidance to the breastfeeding mother according to her circumstances, problems, and lifestyle from integrated coverage of evidence-based data and practical experience. Find what you need quickly with a new, streamlined approach. Treat conditions associated with breastfeeding and effectively manage the use of medications during lactation thanks to extensive, up-to-date, evidence-based information.
