## BOOK SYNOPSIS

Special Agents Ty Grady and Zane Garrett are back on the job, settled into a personal and professional relationship built on fierce protectiveness and blistering passion. Now they're assigned to impersonate two members of an international smuggling ring—an out-and-proud married couple—on a Christmas cruise in the Caribbean. As their boss says, surely they'd rather kiss each other than be shot at, and he has no idea how right he is. Portraying the wealthy criminals requires a particular change in attitude from Ty and Zane while dealing with the frustrating waiting game that is their assignment. As it begins to affect how they treat each other in private, they realize there's more to being partners than watching each other's backs, and when the case takes an unexpected turn and threatens Ty's life, he and Zane will have to navigate seas of white lies and stormy secrets, including some of their own.

**FISH & CHIPS CUT & RUN** - Are you looking for Ebook Fish & Chips Cut & Run ? You will be glad to know that right now Fish & Chips Cut & Run is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.
