BOOK SYNOPSIS

This cookbook, based on the game-changing web series Chefs Night Out, features stories of the worlds best chefs debauched nights on the town, and recipes for the food they cook to soak up the booze afterwards. MUNCHIES brings the hugely popular show Chefs Night Out (on VICE Medias food website, MUNCHIES) to the page with snapshots of food culture in cities around the world, plus tall tales and fuzzy recollections from 65 of the worlds top chefs, including Anthony Bourdain, Dominique Crenn, David Chang, Danny Bowien, Wylie Dufresne, Inaki Aizpitarte, and Enrique Olvera, among others. Then there are the recipes: dishes these chefs cook when theyre done feeding customers, and ready to feed their friends instead. With chapters like "Drinks" (i.e., how to get your night started), "Things with Tortillas," "Hardcore" (which includes pizzas, nachos, poutines, and more), and "Morning After" (classy and trashy dishes for the bleary-eyed next day), MUNCHIES features more than 65 recipes to satisfy any late-night craving and plenty of drinks to keep the party going.
