You'll savor mushrooms like never before after experiencing their intuitive-raising effects, and a bunch of celery will resonate with new meaning as it boosts your sexual desire and psychic awareness. Virtually any item in your pantry can be used for personal transformation. From artichokes to kidney beans to grape jelly, food contains specific magical energies you can harness for positive results. This encyclopedia of food magic offers twenty-seven of Scott Cunninghams favorite recipes. Magical menus for more than ten desired goals including love, protection, health, money, and psychic awareness are provided as well.
