BOOK SYNOPSIS

Accountants have historically had an important role in the detection and deterrence of fraud. As Joe Wells's *Principles of Fraud Examination* 4th edition illustrates, fraud is much more than numbers; books and records don't commit fraud — people do. Widely embraced by fraud examination instructors across the country, *Principles of Fraud Examination, 4th Edition*, by Joseph Wells, is written to provide a broad understanding of fraud to today's accounting students — what it is and how it is committed, prevented, detected, and resolved. This 4th edition of the text includes a chapter on frauds perpetrated against organizations by individuals outside their staff — a growing threat for many entities as commerce increasingly crosses technological and geographical borders.

PRINCIPLES OF FRAUD EXAMINATION - Are you looking for Ebook Principles Of Fraud Examination? You will be glad to know that right now Principles Of Fraud Examination is available on our online library.
