BOOK SYNOPSIS

Vintage Toys embodies the cult icons of the colourful world of toys and revives memorable and exciting childhood memories. It compiles ageless classics from board and dexterity games, to rare tin toys, robots, action figures and dolls through mechanical and electronic toys up to early video games. Brilliant photographs and insightful texts certify the sleek design and the zeitgeist of various generations. Starting with the latest toys in history this vast compendium takes the reader on a magical journey, back to the earliest game and so brings back exciting memories with the turn of every page.
