BOOK SYNOPSIS

This is the story of a national championship that was a year in the making. Redemption: Carolina Basketball's Journey from Heartbreak to History is a behind-the-scenes look at the Tar Heels' ride to the 2017 national title. Featuring some never before published, exclusive photographs that will take readers from the practice court to the team bus to the locker room, this book is the most complete chronicle of a UNC national championship ever made available. In addition to the full-color images, the book also includes interviews with the players and coaches that can only be found here, a foreword from head coach Roy Williams, and all-new stories from Adam Lucas, Steve Kirschner, and Matt Bowers, who accompanied the team every step of the way. Much more than a story of Carolina's 33 victories, Redemption describes the complete journey of one of Carolina's most unique championships, from heartbreak in Houston to the storybook finish in Phoenix. Here readers can get the team's perspective on what propelled them to a title and find out what moments the players and coaches considered most important, both on and off the court. The result is a must-have book for Tar Heel fans everywhere.
